At IHS, The Institute for Human Services, we provide daily meals, shelter, supplies, household goods and necessities. Whether it’s backpacks for school children, diapers for infants or clothes for the elderly, goods drives impact quality of life greatly.

**Community Drives**

Complete this form and send to volunteer@IHSawaii.org to host a goods drive. See below for our updated needs/wish lists where 100% of donated items go directly to IHS clients, free of charge.

Many of these items are often packaged to create welcome home gift baskets, toiletries kits and back-to-school sets in which we must have enough items to produce about 20 to 50 at a time. Groups can help purchase enough supplies and assemble these for distribution. Gift cards from stores such as Walmart, Target and Ross and cash donations help greatly too.

**Goods Donation Drop Off:** Kaaahi Women & Family Shelter | 546 Kaaahi Street | Pull up to the gate/drop off center on side of the building at Kaamahu Place.

**Donate Your Car**

Vehicle donations are accepted through Kokua In Kind.
