Post-Hurricane Lane Announcement to IHS Homeless Clients- 8/25/18 at 9:00AM

2018-08-23

With Hurricane Lane passing Oahu, and with no threat of any further weather conditions, IHS will resume regular services, except:

Hale Mauiola will be closed until 12noon today. We are repairing and restoring the site as best we can. 7 pairs of containers had their shade roofs torn. We will be trying a temporary fix until the City is able to assist. We will be planning a work day to help Hale Mauiola get cleaned up this coming week and will be in touch through our email, social media and website.

Meal service will continue on emergency schedule (brunch and dinner) until Monday when it resumes 3 meal services a day at all facilities.
