

HAWAII STATE DEPARTMENT OF HEALTH

# ADULT MENTAL HEALTH DIVISION (AMHD)

## PROVIDER DIRECTORY

May 2020

# MAHALO FOR YOUR SERVICE!

*We are proud to partner with each provider to ensure consumers receive services when and where they need them.*

AMHD funded services fall within the following categories:

- Case Management
- Crisis
- Inpatient
- Residential
- Support Services
- Treatment

For more information, visit the AMHD website at <https://health.hawaii.gov/amhd/>  
To update provider directory information, e-mail [DOH.AMHDadmin@doh.hawaii.gov](mailto:DOH.AMHDadmin@doh.hawaii.gov)

## **Frequently Asked Questions (FAQ)**

Q1 When and why was the AMHD Provider Directory created?

A1 Formerly known as the AMHD Statewide Service Coordinator Contact List and the AMHD Program Support Services Contact List, the AMHD Provider Directory was originally created in circa 2009 after the AMHD Oahu Service Area Administrator identified that communication between AMHD State Operated (SO) and Purchase of Service (POS) contracted providers was challenging. With the support of AMHD staff and SO and POS providers, this document was developed as a tool for collaboration amongst service providers.

Q2 What is the intended use for the AMHD Provider Directory?

A2 The goal for using this directory is to empower all AMHD staff and SO and POS providers to communicate efficiently and directly with other staff whom they dually share direct care or non-direct care responsibilities.

For example, if CARE Hawaii staff need help coordinating housing with Hale Na'au Pono staff, CARE Hawaii staff may refer to this list and decide to either pick up the phone, send a fax, or e-mail the appropriate Hale Na'au Pono staff directly (and importantly, vice versa).

Additionally, if AMHD staff need to contact a specific CARE Hawaii staff to follow up on an administrative concern, they may refer to this list and contact the appropriate staff.

Q3 Who receives a copy of the AMHD Provider Directory?

A3 Copies of the directory are distributed electronically to AMHD staff and SO and POS providers.

AMHD staff statewide have access to the directory via internal Intranet access.  
Electronic copies are shared with staff at the Hawaii State Hospital (HSH).

Q4 How often is the AMHD Provider Directory updated?

A3 The AMHD Provider Directory will be updated periodically and no less than once during the calendar year.

Q5 If I need to update my organization's information, who do I contact?

A5 Updates may be submitted to the AMHD in writing by e-mailing AMHD Communication and Training at [DOH.AMHDAdmin@doh.hawaii.gov](mailto:DOH.AMHDAdmin@doh.hawaii.gov)
