

IHS' 2024 Strategic Goals

1. IHS will hire mission-minded people to expand our capability to deliver tailored services and meet community needs.
2. IHS will engage our wider community in service to the people we serve and learn how to participate in ending homelessness.
3. IHS will collaborate with public and private partners to increase efficiencies and innovation in homeless solutions.
4. IHS will continue to lead in serving chronically homeless persons, particularly those who require behavioral health triage and case management.
5. IHS' values of *ho'okipa* (hospitality), *'ohana* (belonging), *kuleana* (accountability) will permeate throughout the organization.
6. IHS will cultivate broader stakeholders' knowledge of IHS's full spectrum of services and programs.
